Camper Handbook 2020

Program Philosophy
The West Geauga Recreation Council, a not-for-profit organization, was formed in 1948 by a group of volunteers who saw a need to develop recreational programs for the youngsters of the West Geauga community. The program has grown over the years, but its purpose has not changed. The Day Camp is one of our largest and most successful programs for children entering kindergarten through 8th grade. The Day Camp provides a fun and safe experience with a variety of activities, as well as the opportunity to play outdoors in a structured, supervised environment and enjoy the "lazy days" of summer.

The West Geauga Recreation Council Day Camp is a registered program with the Ohio Department of Human Services as required by Section 5104.21 of the Ohio Revised Code. Children are supervised by counselors and grouped by school grade. A 6-10 : 1 ratio of children to counselors is maintained.

Location
The Camp is located adjacent to the West Geauga Middle School at 8611 Cedar Road, Chesterland, Ohio 44026. The phone number at the camp is (440) 729-7664. During inclement weather, the camp will be moved to the WG Middle School cafeteria until the weather clears.

- The hours of the camp are 9:00am to 3:00 p.m.
- There is an Extended Care program available which provides before camp care from 7:00 a.m. – 9:00 a.m. and after camp care from 3:00 a.m. – 6:00 p.m.

**Discipline Policy**

The Day Camp program is designed to promote a positive and enjoyable experience for all the children. Children are expected to respect the physical well-being and rights of others and maintain respect for Camp property. We believe that children can learn through positive reinforcement and direction. Please keep in mind that the Day Camp staff has the responsibility to insure safety and positive experiences for all the children in the program. It is, therefore, not possible for us to handle severe behavioral problems.

The following offenses are subject to punishment up to and including removal from camp.

- Bad Language/profanity
- Defiance of counselors
- Harassment of others
- Hurting others
- Drug or tobacco possession/use, including vaping
- Leaving camp area
- Lying
- Running away from group during field trips
- Repeated soiling of clothes
- Possession of weapons
- Stealing
- Vandalism

Other offences not listed will be at the discretion of the coordinators and supervisors of the WGRC Camp. Aggressive behavior and bullying will not be tolerated. Behavior of this nature will result in immediate termination from the program.

We ask that all parents read through and discuss the above information with their campers and sign the Code of Conduct Form. We also ask that the parents realize that their child’s behavior determines what the camp will allow him/her to do and to fully support our behavior policies.

- Our staff will immediately investigate all incidents. Counselors are asked to send major or continual behavior problems to the director and then he/she will deal with these particular problems. Should a child’s behavior be deemed inappropriate, the camp staff will handle the situation with appropriate discipline actions, which can include “timeouts” from the group.
- We will, when necessary, bring serious problems or recurring difficulties to the parent/guardian’s attention and seek resolution.
- Reparative problems will result in immediate pick up of the camper or keeping your camper home from camp on a day decided by the director.
- Any child who does not or cannot respect his or her fellow campers, our staff, the environment, and/or the entire camp community and who does not respond to our intervention will be dismissed from WGRC Camp immediately and permanently. There will be no refunds in the event of a dismissal.
- All situations are handled on a case-by-case basis. These policies may change at the discretion of the Director and WGRC Executive Board.
Middle School Camp
The Middle School Camp is a camp within our traditional camp designed especially for children entering 6th, 7th, and 8th grades. The Middle School campers will enjoy their own campsite and covered pavilion adjacent to the traditional camp. Counselors will supervise the children in age appropriate activities.

Apparel
Each camper is required to wear a WGRC light blue t-shirt on all field trips. T-shirts can be purchased from the Camp Director.

Field Trips
The campers may go on a weekly field trip off-site. West Geauga School busses will provide transportation and the children will be supervised by camp staff. Field trips are designed to provide campers with age appropriate activities away from the traditional camp and offer opportunities to learn new skills and enjoy the thrill of adventure.

Parents will need to sign a field trip permission slip. Details describing that week's field trip will be sent home each week. Safety is our number one priority. The following items will be available on each field trip: roster of staff and children, destination information, field trip plan, first aid supplies, as well as Registration and Health Medical forms for each child. The children will be instructed, prior to the trip and at the location, the activities and rules.

Most of the field trips are structured activities, however, when the children are allowed to be on their own, they will be paired or put in small groups with a counselor. No child will be permitted to participate in an activity alone. The children will be instructed at each field trip site where to meet and scheduled check-in times. Children that do not comply with the rules will spend the day with the adult supervising the trip. Children that consistently do not follow the rules will not be permitted to attend field trips.

Some field trips take place outside and require dry, warm weather to be successful. If the weather does not cooperate, the field trip will be canceled and alternate activities planned at the Camp. Field trips have to be scheduled in advance and cannot be rescheduled.

Money that is brought on the field trip is the camper's responsibly, NOT the counselor's.
